SOUTHFIELD HIGH SCHOOL

Detroit 19, Michigan

To the Seniors of 1958-59-60

Many of us who are seniors now have been here for five years. We were here when the upper north wing of the high school was opened and we no longer had to have classes in the faculty rooms. We were here for the great opening of our beautiful gym. We no longer had to either play outside, or if it rained - hold classes in the bus garage.

But at last we were seniors. To be seniors means your last year of high school, but it means most of all, that we are finishing one step of our education. We are leaving a school where we have had many pleasant experiences and friends that we have attended classes with for many years. There are many people and special activities that, I am sure, we, the senior class of 1957, will never forget.

was a
 wonderful experience
 website picked
 out of choice (just kidding)
 your a real great
 guy who can
 handle up. I
 thing you live
 Be God bless

Much wisdom and kind thoughtfulness has been displayed by our administration.

Mr. Van Aneyde helped many of us with his patience and wonderful sense of humor; Mr. Hall was always there with a helping hand when we needed it most. Finally, we thank the Board of Education for making it possible for us to have this modern high school.

Although he has never been within the walls of Southfield High School, Richard Rueger of 20690 Westhampton, will graduate with the class of 1957.

Richard, who was stricken with muscular dystrophy while attending Brace Intermediate, has been finishing school through the home-bound program.

He has used regular Southfield textbooks and has received his instruction through the joint efforts of the Southfield Township and Oakland County Boards of Education.

Southfield's gridders retired from the '56' season holding fourth place in the Inter-Lakes Conference.

The first three games showed promise for the Jays, as much power, speed, and stamina were displayed, backed by driving determination.

It was these factors which led sports writers to believe that Southfield would have an undefeated season. However, the Jays lost the three following games to Walled Lake, Van Dyke, and Waterford.

Southfield's comeback against Berkley and Redford Union led Southfield rooters to believe that the Jays might continue with the series of threes, but Bentley broke the pattern by defeating the Jays in their last game of the year.

Varsity Basketball

The emergence of three outstanding sophomore cagers—Tom Ridley, Bob Filar, and Cliff Solberg—was the only bright spot in Southfield's worst cage season. Despite overall team height, the Jays won only three while losing 11 and finished fifth in the Inter-Lake League.

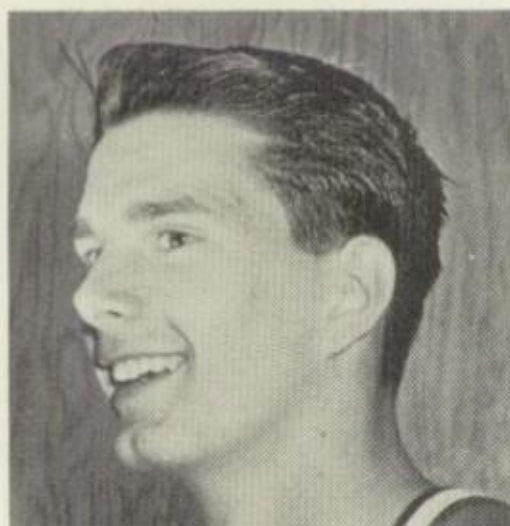

Workhorses in the scoring columns for the Jays were senior Mel Alldredge and junior Bob Shull, who scored 200 and 153 points respectively.

The sophomores—Ridley, Filar, and Solberg, were all in the starting lineups on some occasions, and the end of the season saw Ridley end up as the third high scorer with 108 points. Filar scored 53, Solberg 27. Ridley also set a school record for total free throws in a single game, scoring 13 in the Van Dyke game.

Other players contributing heavily were Len Lamb, Dave Krause, Bob Gibbs, Bill Maksimas, Mike Larson, Ed Kennedy, and Tom Dobbertin.

Jerry Londal

Despite some strong pitching by Ray Filar, the 1956 Jay baseball team saw defeat eight times while winning only three games. One oddity of the season was a 12-inning tie game with rival Berkley. The game was called because of darkness with the score tied, 1-1.

Although Southfield's '56 cross-country team lost to Detroit Lutheran, Redford Union and Walled Lake, they did win the meets with Van Dyke and Berkley and went on to place fourth in the conference. One of the outstanding members of the team, Gerald Wilson, qualified for the state finals in Ypsilanti.

Tennis Team

The completion of three enclosed tennis courts at the southwest corner of the school property undoubtedly will help Coach Battenmiller produce championship net squads in years to come. However, the new courts — finished last summer — came too late to aid the '56 team. Only Doug Dahn, who won all his singles matches, provided a spark of brightness in a losing season for the team.

Golf Team

Southfield's golf team teed off into the 55-56 season by losing the first game. The Jays came back strong by winning the three following games with considerable margins. Upon facing Walled Lake and Berkley, Southfield lost by a slim margin of only two strokes. Plymouth was beaten in the last game of the season, which put Southfield tied with Berkley. The Jay's golf team came in 6th place at the Pontiac Invitational where they competed against 18 other class A schools.

Wrestling

Promising to be one of Southfield's best and popular sports, wrestling was added to the sports curriculum this year.

Coached by Mr. Thompson, the squad showed remarkable improvement in its first season by winning four of seven meets. The Jays defeated Bentley and Farmington twice, while losing to Cranbrook, Pontiac and Berkley.

Most consistent wrestler on the squad was Larry Selinsky, while the outstanding single performance came from 285-pound Dave Marsh, who pinned his opponent in 27 seconds in the Bentley match.

Swimming

Optimism and preparedness were the watchwords for the Jay swimming team, coached by Mr. Hurd. Although the new swimming pool will not be completed until this June, several swimmers worked out daily at the Redford pool, thinking of next season. The squad entered in several Detroit Recreation Swimming Program meets and now have some experience for next year's full schedule.

G. A. A.

The Girls Athletic Association is an organization which gives every girl a chance to participate in activities, both social and recreational. Any girl of Southfield High is eligible to join and and on this year's charter there are approximately 150 girls who are active members. The G. A. A. meetings are held every Tuesday after school in the high school gym. It is at these meetings where the girls learn co-ordination and teamwork while playing the various sports.

The girls participate in intramurals, sportsdays, and playdays with other groups of girls who come from different schools. The various sports in which the girls participate are volley ball, basketball, softball, badminton, tennis, swimming, and bowling.

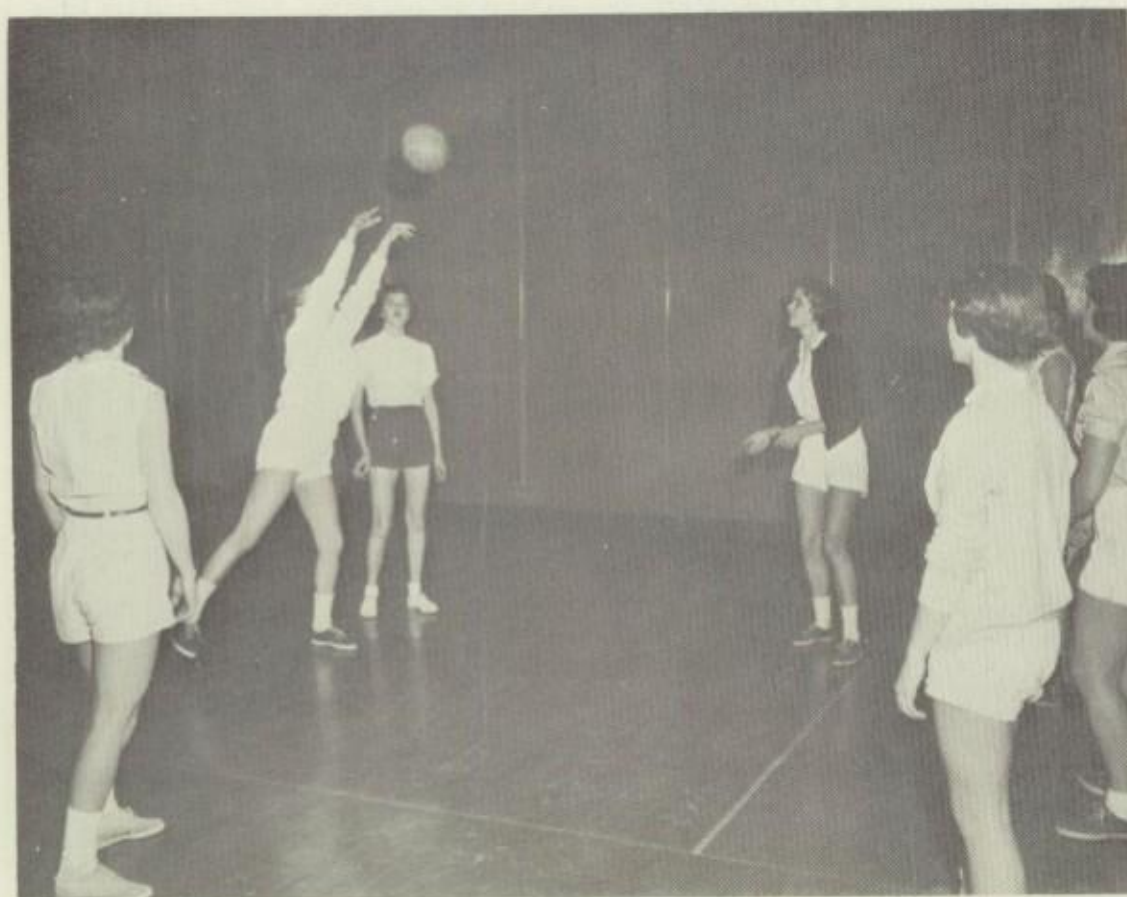

Each year the club awards to the most active girl the honor of having her name engraved on the G. A. A. trophy which remains in Southfield for future members to see. Individual awards are presented to all of the active members. They are presented an individual Southfield Letter "S", and a G. A. A. certificate for their participation.

Activities

A Y-Teen swimming party

Chess takes concentration, as chess club players know.

The aims of the newly formed Chess Club are to encourage and promote the game of Chess in Southfield. Started in 1956, the game is played under the "Modernized Version of Chess Laws", used by the United States Chess Federation. Much practicing and perfecting techniques were done last year with the hopes of starting a tournament this year.

Mac Wicka entertains for the Latin Banquet

Organized in 1951, the Latin Club aims to arouse interest in languages and to give students a chance to meet and enjoy a social hour once a month. The most exciting activity of the Latin Club is the annual Roman Banquet. It is put on by the Latin II students and the Latin Club. Class time is used while planning and working for the dinner, and the students learn a great deal about the Roman way of life at this time. Approximately one hundred attend the dinner, with everyone dressed as Romans, eating as Romans did (no silverware), and enjoying school talent.

Members of the French Club dress as French characters for initiation into the club.

Rest time on a VCY bicycling trip.

A VCY Picnic

Southfield's Voice of Christian Youth Club affords an opportunity for each student to maintain high standards of Christian character. Meeting weekly, this organization presents a student planned program featuring plenty of good music, discussion, speeches and films.

In addition to this, V. C. Y. has its own Bible Quiz Team, competing against nine other schools of the Detroit area. In the short history of the club, first place was won in quizzing. Ice skating, swimming, bicycling and scavenger hunts are also part of club life. V. C. Y. is open to all students, and faces the future with bright hopes of having a bigger and better club than ever before.

The band performs during halftime at football games.

Cheerleaders help keep up enthusiasm during all games

G. A. A. activities

One of the largest clubs in the school is the newly-organized Pep Club. Organized to create more school spirit, this club has more than achieved its purpose as members cheer on our teams at all games.

The flash card section, which was used for home football games, was very effective, as was the cheering section during pep-rally assemblies and games.

National Thespian Society

The White Headed Boy

The main purpose of this society is to advance and improve the dramatic arts in secondary schools.

Since the granting of the charter of Troop 1509, January 19, 1955, the troop has assisted in the productions of **Ten Little Indians**, **The Man Who Came to Dinner**, **Harvey**, **I Remember Mama**, **The Form Divine**, and **The White Headed Boy**.

Attending the play, **My Fair Lady**, was the high point in the club's agenda for the spring of '57. However, the production of an experimental play each spring also captures much excitement.

Business Club

Since its organization, the Business Club has strived to prepare students for employment in the business world, to encourage cooperation and to develop better character and citizenship. Some of the main events of this school year '56-'57 were: making scrapbooks for children at the Sarah Fisher Home, touring the Detroit National Bank, bowling, and being host to numerous guest speakers.

Future Nurses

In 1954, the Future Nurses Club was organized, with the purpose of acquainting girls with the opportunities in the medical and scientific fields. The club conducts an annual Senior Tea, and has taken trips to Pontiac Hospital, Wayne University and Harper Hospital. The club is looking forward to having an Easter project and a 1957 "Care Campaign".

Library Club

Organized in 1951, the Library Club was formed to further the interest in library resources and services among high school students. The club is affiliated with the state organization of student library assistants. One of the most exciting highlights of the 1956-57 season was an all day meeting at Ann Arbor with other student library assistants from this section of the state. The club is hoping to have a worship meeting at Clear Lake Camp on a week-end in April.

Forensic s

For three years, students have entered into the Spring Forensic contest. The main purpose is to promote good speech for high school students. During the 1956 season, JoAnne Bromley won the first wall banner to be presented to Southfield by the University of Michigan, with humorous reading of "Spring, Spring."

During the 1957 season, the following students participated in the District contest:

There's satisfaction in meeting a challenge

Working at Edison, there's challenge in the very air you breathe. It's logical. This is a growing company in a growing industry. And growth always creates problems. This is also a pioneering company, constantly challenging the accepted ways of doing things.

Challenge, opportunity, progress . . . they're like steps. The steps that lead to a satisfactory career. And advancement within the company is the standard practice rather than the exception.

We have heard it said that Edison is a good place to work. True! One of the reasons that makes it so—particularly for high school graduates entering the business world for the first time—is that Edison people are friendly, sympathetic and helpful.

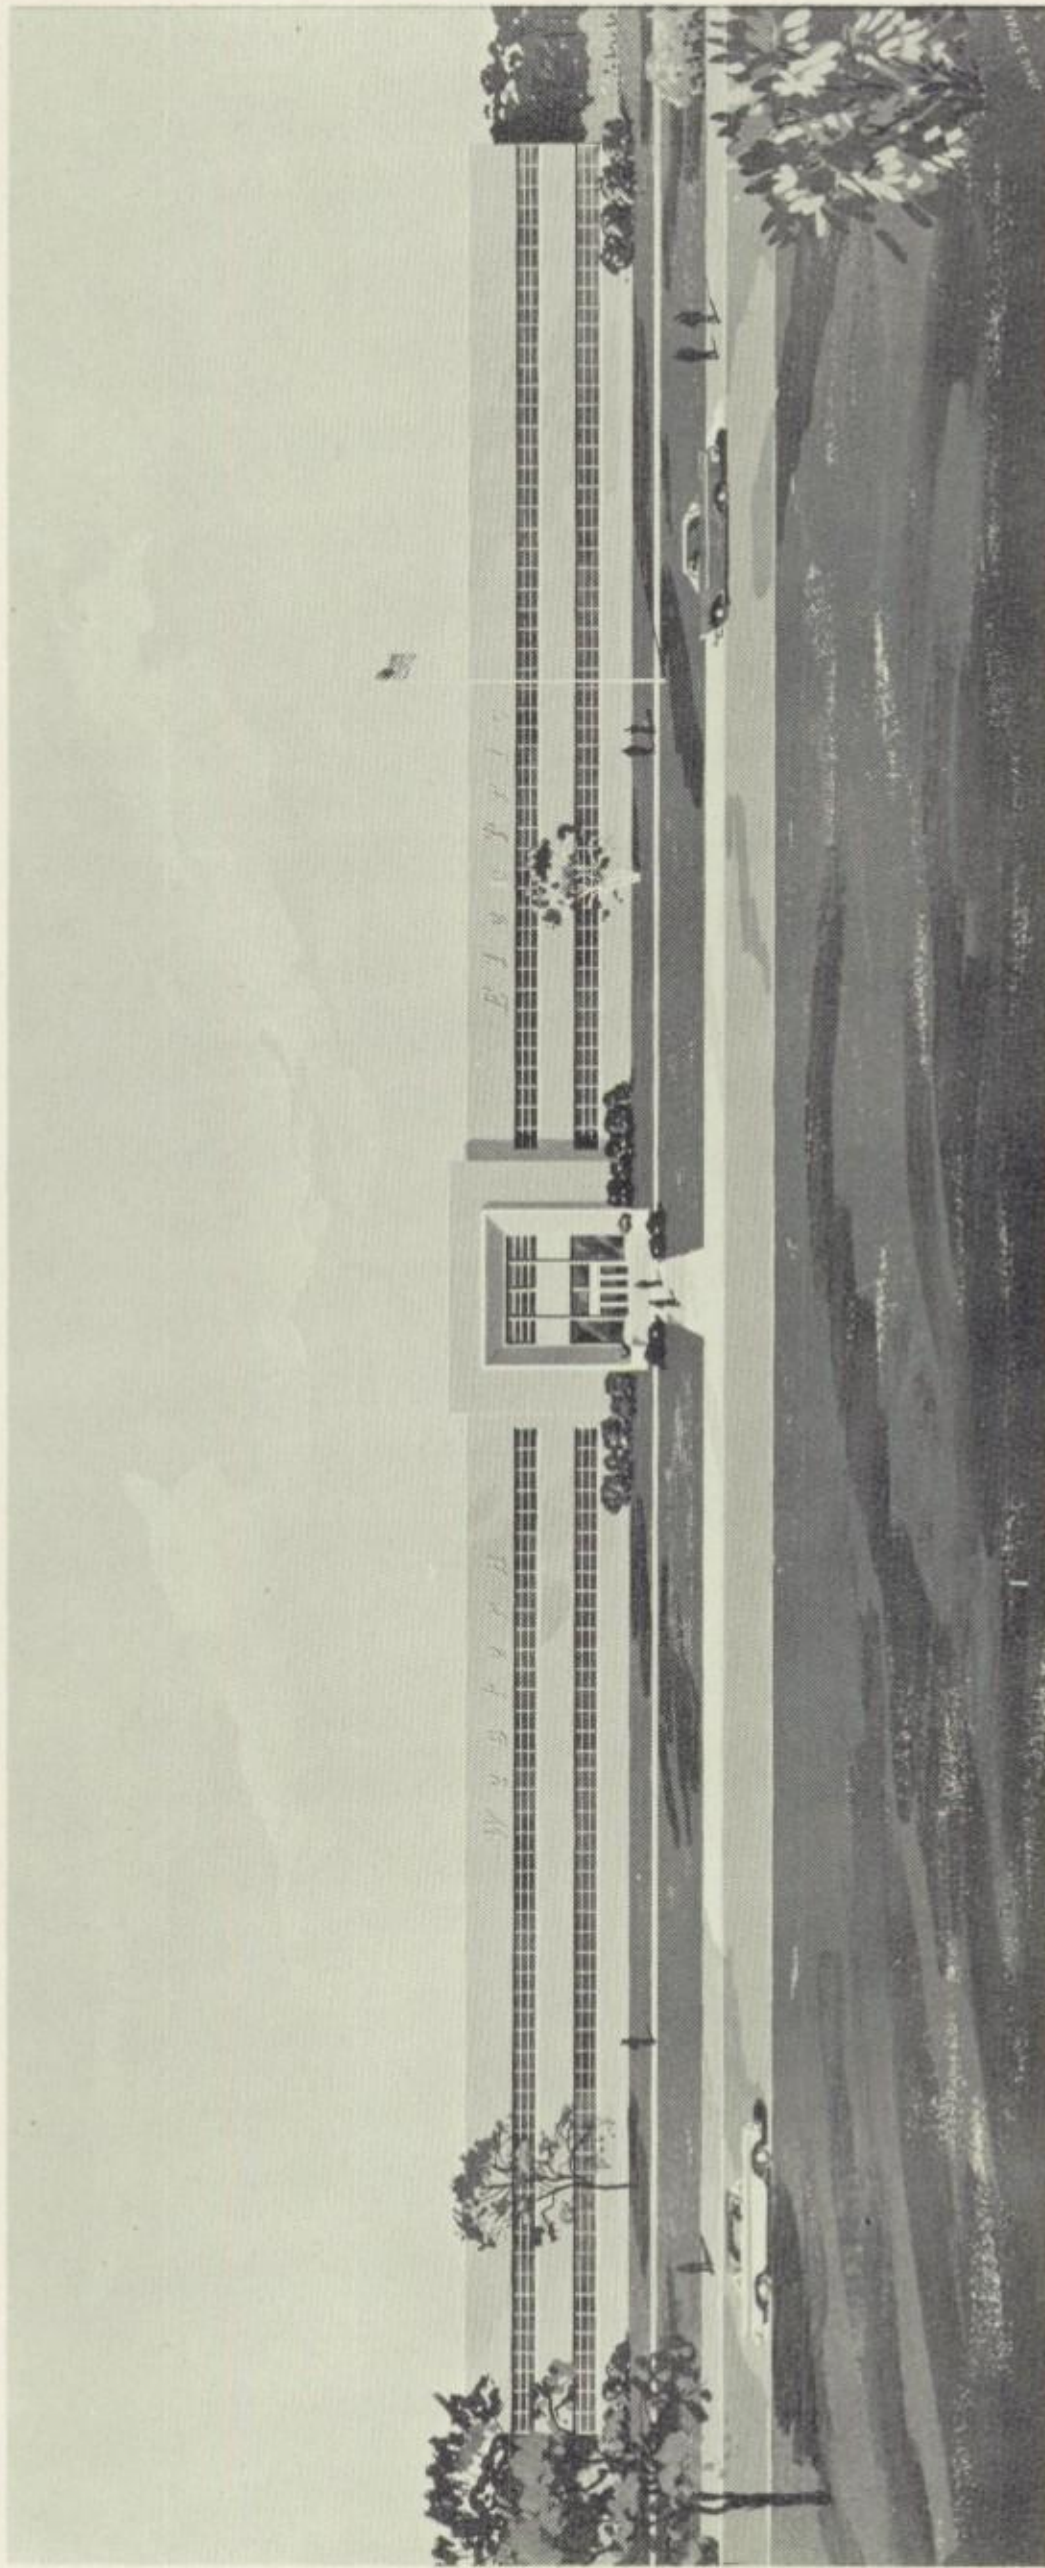

If you reside in metropolitan Detroit, we invite you to visit our Employment Department, 2000 Second Avenue. Elsewhere, job application forms are available at any Edison customer office.

"There's a girl I'd like to know"

"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained by friendly, understanding supervisors and today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled mid-morning and midafternoon "breaks" for relaxing in comfortable lounge rooms, and by the opportunities for advancement.

Isn't that the kind of job *you* want? Then why not get in touch with us now? We'll be happy to tell you more about the variety of interesting telephone jobs available to high school graduates.
